Partner
jdavis@outsidegdc.com

Jessica Davis has extensive experience resolving disputes and negotiating commercial contracts in many different industries. Jessica's background as a litigator allows her to counsel her clients effectively on how to manage and negotiate a wide variety of conflicts ranging from the infringement or misappropriation of intellectual property rights to the breach of contractual obligations. Jessica also counsels in-house legal and business teams more generally on a host of intellectual property and technology matters.

Previously, Jessica managed complex patent litigations through trial and appeal at Weil, Gotshal & Manges. Jessica also is a senior legal editor at Thomson Reuters, where she creates practical know-how resources and legal updates.

Jessica's clients at Outside GC include Alder, Altoida, Amendola Communications, Axcel Learning, Commonwealth Fusion Systems, International Medical Devices, Nara Organics, Pet Honesty, Storyblocks, Sunnyside, and Worcester Polytechnic Institute.

Jessica received her JD from Columbia University School of Law where she was a James Kent Scholar and an AB degree in physics from Princeton University.
